

DCM Report
10-6-05
Bob S District
41 DCM

Current Items for discussion are:

- Changing the location, the day of the month and the time of our District committee meeting. We tabled this discussion at our last meeting.

- We plan to cooperate with District 17 in organizing and holding a Day Of Sharing in 2006. Bill G. is our liaison in communicating with District 17. Thus far the word is that they are going to begin their work on this in January 2006.

- Of immediate concern is the Area 60 Fall Assembly, which will be held at the Butler PA Days Inn at 9AM on Sunday October 9th. *All groups have a vote at the Assembly through their GSR.* Every GSR's vote strengthens the collective group conscience of Area 60, and contributes to the collective group conscience of the entire fellowship. I encourage all GSR's to attend, and alternates when necessary. As at any general service function *all AA members are welcome and encouraged to attend.*
