

## July 2014 / DCM Report / District 41

### Literature

As of June, 2014 the district has dissolved the Literature Coordinator position. As a result all groups and members should order literature directly from A.A. World Services. **We do have some books remaining and will sell them without the shipping cost, saving you 19%.** Once these are gone they are GONE, so talk to your group about grabbing them now.

To see the available books please go to [www.wpadistrict41.org/about-us/](http://www.wpadistrict41.org/about-us/) [or flip over paper]

For the full literature catalog, order form, and more information on how to order by phone, mail or online, visit [aa.org](http://aa.org) and click on Literature. Your group can also place orders with the Area 60 literature coordinator before any quarterly meeting and avoid shipping costs.

### Seeds of Service: Area 60 Newsletter

I have the new seeds of service – each group gets one so if you don't have one please let me know. There are still 7 groups that have not received their copy. You should be sharing this with your home group. This month's issue focuses on sponsorship.
