

## **District 41 DCM Report January 2015**

Hi, my name is David Doepken and I'm an alcoholic. I'm honored to be DCM for District 41, Johnstown.

There are 13 A.A. meetings in the Johnstown area. Their average attendance is 40 people; this includes men's and women's halfway houses, newcomers, and "townie" A.A.s. We have a busy Activities' Committee which in the last year has planned events like: dances, picnics, spaghetti dinner, (All of which included a lead meeting.), tubing down the river, and bowling. (My average score is 42.) Currently we are planning a Valentine's Day dance and a one day, pot luck 12 Step Workshop.

Please look us up if you're coming our way on our district web site: [www.wpadistrict41.org](http://www.wpadistrict41.org)

Thank you for your attention.
